MORRISVILLE COLLEGE

Has made a more rapid and substantial growth during the last two years than any other church school in Missouri.

During this period the school has more than doubled in numbers, now having a larger enrollment than any other Methodist co-educational institution in the state.

The reasons for this rapid growth are to be found in the delightful and salubrious climate, and the sparkling and health giving waters of the Ozark region, together with the advantages offered by Morrisville and the surrounding community and the strong and especially equipped faculty.

Morrisville has the advantage, for a school town of being one and one-half miles from the railroad, to which it is connected by a hackline, and is entirely free from saloons and other places likely to prove too great a temptation to the young.

We consider Morrisville the safest school town in Missouri.

CLASSICAL, MATHEMATICAL, SCIENTIFIC, BUSINESS, MUSIC, and ELOCUTION departments are sustained.

Each department is in the hands of a thoroughly prepared specialist.

Expenses are low, both for families living here, and for boarding students.

For further information, address

W. W. THOMAS, President, MORRISVILLE, MO.

REPORTS OF BOARDS AND COMMITTEES.

BOARD OF EDUCATION.

The report submitted by The General Board of Education was very encouraging, revealing the fact that greater interest is being taken by the church at large in educational work. The collections have increased from \$52,000 last year to over \$97,000 this year, showing an average annual increase since the beginning of this century at \$11,272. There has been also an increase during the same period in the value of buildings and grounds, of \$2,272,000, and an increase in endowments of \$504,711.

We heartily endorse the purpose of the General Board to build up a correlated system of christian education, equal to the best systems of secular education. The work of emphasizing the importance of adequately supporting our institutions should appeal to every preacher and layman of our connection

CORRESPONDENCE SCHOOL.

The Director of the Correspondence School of our church reports that the past year has been remarkably successful. The roll shows 452 students, representing 36 annual conferences, an increase of 200 over last year. This response of the church to this new and important movement is very gratifying. Thirty-five annual Conferences have, by special vote, endorsed the school. From our conference eigteen students were enrolled during the past year.

We urge that every undergraduate take the correspondence course, and hereby instruct the examining committees to accept the grades of the correspondence school as equivalent to examinations before the committees. We recommend that the executive committee be instructed to pay the tuition fees of those under-graduates who are unable to meet them.

We recommend the following assessments for education: Paine and Lane colleges, \$366; General Board, \$366; Conference Board, \$368; Central College, \$1,200. Total, \$2,300.

PREACHERS' INSTITUTE.

The Preachers Institute held by the Missouri and Southwest Missouri Conferences at Fayette, Mo., was a pronounced success. We desire to commend the Institute to the Conference with the hope that all our preachers will take advantage of the exceptional opportunities offered through it.

It is expected that the St. Louis Conference will join the Missouri and Southwest Missouri Conferences this next year in the work of the Institute, and thus will be afforded the Methodist preachers of Missouri advantages second to none.

We recommend that \$300 be appropriated for the work of the Institute and the correspondence schools.

We recommend as members of the executive committee for the Southwest Missouri Coonference, Rev. A. H. Barnes, Rev. J. J. Pritchett, Rev. C. W. Scarritt. As members of the Advisory Board, we recommend Revs. C. E. Pattillo, W. G. Beasley, F. M. Burton, O. M. Rickman, J. W. Howell, E. K. Wolfe.

CENTRAL COLLEGE.

The Board of Education was glad to have before it Rev. J. C. Morris, D. D., President of Central College, who clearly and properly stated the present condition and needs of this our chief educational institution in Missouri. The enrollment of the past year was 125. There were twenty-five ministerial students in attendance and sixteen sons and daughters of ministers. The work of the past year has been highly praiseworthy. There is every assurance that the interest in the college is constantly increasing. Doctor Morris, by his strong addresses on education and by his able preaching, has accomplished much in all the charges he has visited during the year. We earnestly hope that this good work may continue, and we cordially invite Doctor Morris to the various charges of our Conference. We pledge our hearty co-operation to the Board of Curators and President of Central College in their plans to increase the endowment of the college by the year 1907—the semi-centennial year—so that there may be adequate resources to carry on the work.

We recommend the election of Judge J. A. Rich and Doctor W. B. Palmore as curators of the college.

We recommend an assessment on the Conference of \$1,200 for

Central College—\$500 of which shall be applied to the salary of Doctor Morris.

We recommend the appointment of T. P. Wood as student at Central College.

CENTRAL FEMALE COLLEGE.

The report of this, our Central Institution for the education of young women was highly gratifying. The enrollment for the past year was 140, eighty-eight of whom were in the boarding department. The President, Rev. A. F. Smith. was before the Board of Education and spoke encouragingly and hopefully of the future of the school. The income of the institution was sufficient to meet all current expenses. The college has urgent need of new buildings for the accommodation of increasing patronage, and steps are being taken to provide for these necessities. Rev. H. C. Garrett has been appointed financial agent and we hereby invite him to our Conference territory in the interests of the school. We recommend as curators of Central Female College, Doctor W. B. Palmore, and J. F. Groves and L. D. Murrell.

MORRISVILLE COLLEGE.

The good report of this institution, located at Morrisville, Mo., shows a year of prosperity. Professor W. W. Thomas, president of the school, reports an increased attendance for this year—the enrollment being 196. The total enrollment for last year was 237. Substantial improvements have been made on the grounds and buildings, thus furnishing better facilities for work. Larger accommodations are yet needed for the increasing attendance. Certainly the church has reason to rejoice in its prosperity and growth.

We recommend the election of the following curators: B. W. Paris, Harvey Morrow, W. H. Winton, J. H. Cleaves, J. L. Sullens. We recommend that the Board of Curators appoint a financial agent, who shall have access to our conference territory and raise the money needed for carrying on the work of the school so well begun, and we urge our pastors and people to rally to this commendable work and thus show suitable appreciation of the efforts made for Christian education in the past and present.

COTTEY COLLEGE.

The report of this school indicates splendid results achieved last year. The enrollment was 232—an increase of forty-two over the previous year.

Though Cottey College is not strictly the property of our Conference, it is doing magnificent work for our church in properly training young wom nhood. The new auditorium has been completed at a cost of \$23,000, and Cottey College now has one of the best equipped educational plants in the state.

The same relation to the Conference as has existed for the past few years is recommended and we ask for the appointment of the following Advisory Board: Rev. J. King, Rev. A. R. Faris, Rev. F. M. Burton, Rev. J. J. Prichett, Rev. W. T. McClure, J. B. Latimer, W. E. Hall, Dr. A. W. Ammerman and J. S. Clack.

SCARRITT COLLEGE.

The members of the Board of Curators of this school have presented to the Board of Education their resignations, requesting that such steps be taken as the Conference deems wise as to the future work of the college. The Board of Education recommends the acceptance of the resignations, and also recommends the election of a new board, as follows: W. J. Catron, O. A. Moss, D. P. Weems, M. E. Benton, W. E. Hall, E. T. Webb, J. M. Burgner.

We recommend that the following committee be appointed to act in conjunction with the new Board of Curators in formulating plans and policies for the future work of the school.

The presiding Elder of Neosho District. C. C. Woods,

A. H. BARNES.

It is the belief of the Board of Education that as a secondary school—a training school for young men exclusively—this institution may be of great value to the Southwest Missouri Conference and contiguous territory, in educational work. We pledge our hearty support and co-operation in placing it again upon a sound footing.

J. J. PRITCHETT,

A. H. BARNES,

Chairman.

BOOKS AND PERIODICALS.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

We, your committee on books and periodicals, beg leave to submit the following report:

THE METHODIST QUARTERLY REVIEW.

This admirable publication maintains its high character. Its

book reviews are of great value to the studious preacher, who wishes to supply himself with the best books of the time. It is not a popular review, but it has able articles on literary, philosophical and scientific subjects, and will always be read with profit, not only by our preachers but by our thoughtful and educated laymen. We heartily commend it to their favor.

THE CHRISTIAN ADVOCATE.

This organ of our church breathes the gentlest and purest Christian spirit, and all its utterances are clothed in the purest words. We bid its editors, who are natives of our soil, God speed in the very responsible work committed to their hands. We commend the Advocate as a very valuable expository of Southern Methodism and as a true spokesman of the intelligent christian men of the great southland in meeting the difficult problems by which they are surrounded.

We wish to call attention to the special offer of the book agents send the Christian Advocate from now to the first of January, 1906, to new subscribers for \$2.00.

We recommend the appointment of Rev. S. M. Godbey as assistant editor.

THE SUNDAY SCHOOL LITERATURE.

It maintains its high character. It is the general concensus of our best teachers, that it is surpassed by no other, and rarely equaled. Previous sessions of our conference have given statistics, and we think it necessary only to request our preachers, superintendents and Sunday school officers everywhere not to permit our literature to be supplanted with any other. We beg them not to be influenced by the cheaper prices offered by private publishing companies, and for three reasons: First, a loyal Methodist should support the institutions of his church, as he agreed to do when he took the vows of membership. Second, the prices of our literature are as low, when merit and adaptability are considered, as those of any other publishing house in the land; and, third, whatever profit arises from our Sunday school literature, is used to advance some other branch of useful church work, or is distributed among our superanuated preachers, and their widows and orphans.

THE EPWORTH ERA,

The young peoples' paper, has become self-sustaining. Once a month it is issued as a magazine of twenty-four pages, and its man-

agers inform us that when it reaches a circulation of 20,000 it will be published in magazine form regularly. That result should have been reached within a year, and we request that our conference do its part in bringing it about. The price is one dollar per year, and seventy-five cents in clubs of ten, sent to separate addresses.

GO FORWARD,

Our missionary publication, the only general publication wholly devoted to missionary work, now published by our church, is reaching our people and is doing much to arouse a missionary spirit.

THE ST. LOUIS CHRISTIAN ADVOCATE.

This is more acceptable to our people than in former years. Doctor Palmore, its manager, appeared before your committee and stated that he intended during the next year to make a special effort to enlarge the fund for superannuated preachers. As expediting that very generous work, he offers to give one-half of all new subscriptions, one-fourth of renewals, and one-fourth of all collections on old subscription accounts, when secured by the pastors, to be credited to the charges from which received, not as a part of the regular assessments for Conference claimants, but in addition thereto.

We recommend the re-appointment of Doctor W. B. Palmore as editor, and Doctor C. C. Woods as assistant editor.

THE PUBLISHING HOUSE.

The Book Committee reports a net increase of our Publishing House of \$13,918.16, annual net sales of our literature and books, generally of \$437 336.68, and a capital of over nine hundred thousand dollars; and that the Methodist quarterly review, the Epworth E.a, the Christian Advocate, and every department of the house proper has been operated at a profit.

Among the books published by our Publishing House, is one written by one of our own preachers, the pastor of the church in which the annual conference is being held, the Rev. W. T. McClure. Its title is "A Betrayed Trust," the price of which is seventy-five cents. Those of your committee who have read it, are of the opinion that no young man or young woman can read it without getting new inspiration to a higher and better life, and we wish to give it our warm indorsement.

Respectfully submitted,

E. T. ADAMS,

C. H. Briggs,

Secretary.

President.

JOINT BOARD OF FINANCE-REPORT NO. I.

We recommend that the assessment for Bishops' fund be \$1,450, for Education, \$2,300, to be apportioned to the districts as follows:

| DISTRICT. | Bishops' Fund. | Educational. |
|---|---|---|
| Kansas City District. Lexington District. Boonville District. Clinton District. Nevada District. Neosho District. Springfield District. | $\begin{array}{ccc} 275 & 00 \\ 150 & 00 \\ 175 & 00 \\ 150 & 00 \end{array}$ | \$ 510 00 460 00 485 00 270 00 235 00 170 00 170 00 |
| Total | \$1.450 00 | \$2,300 00 |

We would again call attention to the standing order of the Conference, making the assessment for Conference Claimants five per cent. of the preacher's and presiding elder's salaries, also that the law of the Conference holds each preacher personally responsible for at least five per cent. of his own salary. Further, that the assessment for printing the minutes is, by order of the Conference, one-fifth of one per cent. of the preacher's and presiding elder's salaries.

The amount collected for Conference Claimants during the year is \$4878.84.

We recommend that the following appropriations be made:

RESOLUTIONS.

The following resolutions are recommended by the board:

In view of the fact that the General Conference which met at Dallas, Texas in 1902, placed Doctor A. F. Watkins in the field to raise an endowment fund for superannuated preachers:

Resolved, 1st. That we note with pleasure that the fund has grown in two years until now there are notes, subscriptions and cash amounting to \$210,000.

2nd. That we urge the pastors to accept the request of the General Board, to set apart Easter Sunday of each year on which a collection shall be taken, the whole of which shall go for the enlargement of said endowment fund.

C. N. Scrivener,

Secretary.

A. R. Faris, Chairman.

COMPLIMENTARY.

By a rising vote, the Conference adopted the following:

RESOLUTION.

We gratefully recognize the painstaking care with which Rev. W. T. McClure and the other pastors of our church in Springfield,

together with the committee, have prepared for our entertainment with so much of success as to give us perhaps the most pleasant session in our history.

We sincerely appreciate the Christian kindness of the good people of Springfield, and are grateful for the elegant hospitality

bestowed on us.

We have been treated with great courtesy by the pastors and churches of other denominations, and for this we tender our heartfelt

thanks.

The great 'Frisco system has shown us special courtesy and favor in granting reduced rates to members and visitors, and we offer our hearty thanks to the officials of this and other roads co-operating with them in this kindness.

C. C. Woods, E. K. Wolfe, And Others.

SUNDAY SCHOOL BOARD.

To the Southwest Missouri Annual Conference, M. E. Church, South:

Your Sunday School Board would record their conviction that there is no more important department of church work than the Sunday School. Now as never before is God turning the heart of the fathers to the children, and the heart of the children to their fathers. In youth is the best opportunity to lead the soul to Christ.

We are glad to note that throughout the Conference, Children's Day is being more generally observed, and the collection more generally turned over to our Conference Treasurer. This is as it should be. Our Bishops have decided that Children's Day money must be turned into channels directed by the discipline, and the proper direction of this money has enabled us to give needed assistance to

many struggling schools.

We would call your attention to the fact that the third Sunday in October is set aside by the Board of Missions and Sunday School Board as Rally Day for foreign missions in the Sunday school. We feel that too much importance cannot be attached to this day, as the mission work of our church in the future depends on the training of the young people of to-day. Programs have been prepared by the Board of Missions and will be sent free of charge upon application to G. W. Cain, 346 Public Square, Nashville, Tenn.

We appreciate the greater interest shown in the work of the Sunday schools by our presiding elders, pastors and people. We

recommend that for the coming year, as for the past, each presiding elder b requested to set aside at least one morning or afternoon during the session of the District Conference, for the consideration of the Sunday school work. The chairman and secretary of this Board will gladly co-operate in preparing the program for the occasion.

We request that Rev. J. E. Alexander be added to the Board to

fill vacancy.

Secretary.

REPORT OF EPWORTH LEAGUE COMMITTEE.

To members of Southwest Missouri Conference, M. E. Church, South:

We, your committee on Epworth Leagues, have carefully reviewed the communications referred to us by your body and the reports from the Epworth Leagues of the Conference.

We are gratified to note the substantial Epworth League growth both numerically and financially, the Epworth Era having overpaid the entire expense of the publication last year. The merit of the "Epworth League culture course" commends itself—especially the "Bible circle studies."

The Epworth Era has never been better than it is now, and already gives promise of taking that rank which will enable it both in literary and religious way to fully represent the dignity of our cause and the needs of our young people.

The Seventh International league Conference will convene at Denver next July. We heartily commend this gathering and pledge our loyal support to our General Secretary, Doctor H. M. DuBose, in his efforts to make it a success.

Miss Daisy Williams, editress of the Epworth League department in the St. Louis Christian Advocate, has been doing splendid work for the State Epworth League, for which we wish to express our appreciation.

Special attention is called to the importance of the ten cent assessment ordered by the General Board.

We desire to call the attention of the General Conference to the opportunity and importance of thorough district organization of our young people.

We recommend that our State League recognize delegates from each Chapter on a basis of not less than two for each Chapter, nor more than one for each twenty members or fraction thereof, where the local Chapter has over forty members. We desire that the State League submit annually to your Conference Board a full report of its work with the names of the officers of the same.

Your committee calls attention to the provisions of paragraph 255, article 6, of the discipline, which provides that each annual Conference shall elect quadrenially an Epworth League Board composed of one layman from each presiding elder's district, and an equal number of ministers, etc.

We believe that compliance with the new law will give us a permanent board, which will, in time, develope a positive, aggressive League policy, both for our Conference and state, thereby relieving us of the vasilating conditions that have hindered us in the past.

Two years ago, by resolution, this Conference declared itself in favor of a State League when two of the Conferences had concurred in the same. This action was ratified by the St. Louis Conference, but the Missouri Conference failed to concur. We are now confronted with the alternative of rallying to the state organization with our brethren of the St. Louis Conference or of hoisting the banner of our own Conference. Your committee cannot believe the Southwest Missouri Conference is ready to beat a retreat in the presence of the young people of the church, to whom they weekly call. "No man, having put his hand to the plough, and looking back, is fit for the Kingdom of God." Our motto shall still be, "All for Christ."

F. E. GORDON, Secretary of the Committee.

REPORT OF COMMITTEE ON TEMPERANCE.

We very readily declare the liquor traffic one of the farthest reaching influences in the catalogue of sin. It stands bold and defiant, offering protection to multiplied evils. The church of God is called to combat every form of evil; and we must, by the ministry of the word, by our precept and by our example, wage an earnest warfare against both the legalized and illegal liquor traffic; and furthermore, we must faithfully lift up a standard that will mean temperance in all our habits and customs. We believe that our young people will heed our appeal if we wisely warn them of their danger. The Captain of our salvation has promised that the gates of hell shall not prevail.

With grateful hearts, we acknowledge and commend the labors of the W. C. T. U. of Missouri, in their effort to have temperance laws enforced in our schools. Section 8024 of our Revised Statutes is as follows: "Physiology and Hygiene, including their several

branches, with special instruction as to the effect of alcoholic drinks, narcotics and stimulants on the human system, shall be considered a part of the course of instruction and be taught in all schools supported wholly or in part by public money or under state control." We believe that we, as ministers, can do much towards the establishment of a healthy public opinion and approval of this law.

We note with pleasure that the New Century Knights' movement is growing in public favor, and that an ever increasing army is marching under that banner which proclaims a pure life.

We appreciate and encourage the work of the Anti-Saloon League, believing it to be a voice crying out in the wilderness of man's woe. We recommend the appointment of Bros. W. B. Palmore and J. C. Shackelford, as delegates to the National Anti-Saloon League convention, at Columbus, Ohio, Nov. 16, and 18, 1904.

R. D. STEWARD,

J. R. HEDGES,

Secretary.

Chairman.

AMERICAN BIBLE SOCIETY.

We are greatly pleased to report a growing interest in this great arm of the church. The amount raised for this purpose has increased from \$147.66, two years ago, to \$274.34 this year, a gain of nearly 100 per cent. But the number of charges reporting any amount for this interest has not increased. Less than fifty per cent. of the charges have taken collections; some whole districts have reported very small collections. The people seem willing to contribute to this interest if an opportunity is given them.

Recognizing the importance of this great interest to our church, and our dependence upon it for our work in foreign fields, we respectfully urge upon all our preachers that "they present once a year to each congregation the claims of the American Bible Society, and to report the amount to the annual Conference," as prescribed by the Discipline Paragraph No.134.

We are glad to note that the American Bible Society is making endeavors to issue the Bible in the American Revised edition, the best translation extant.

E. Y. GINN, Secretary. CHAS. FRANKLIN,

President.

METHODIST BENEVOLENT ASSOCIATION.

We respectfully represent to the Conference that we are the only members of the Board of directors of the Methodist Benevolent Association present at this session of Conference; that we met at 2 o'clock p. m. on Friday, the 15 day of September, 1904, and there being no quorum present, adjourned to meet at 2 o'clock p. m. of the day next following; that since the last meeting of said Board, Rev. W. B. McFarland has died and Rev. J. M. Boon and Hon. Lon V. Stephens have removed out of the bounds of this annual Conference. We ask this Conference to elect to fill said vacancies, Rev. Frank Burton, Rev. C. H. Briggs and Hon. Perry Rader.

JOHN A. RICH, S. J. BROWN.

SABBATH REST.

We, your committee to whom was referred a communication from the committee arranging for the International Congress for the Sabbath of Rest, in connection with the Universal Exposition at St. Louis in 1904, having had the same under careful consideration, beg leave to submit the following report:

We view with the greatest possible apprehension and sorrow the manifest tendencies of the times to over-ride and disregard the sanctity of the Christian Sabbath as a menace to our civil, social and religious institutions.

Already, in many of the great centers of population throughout our country, the Sabbath has degenerated into a mere holiday without the slightest regard to its sanctity, or the baleful effects its desecration has upon the domestic, social and religious life of the nation.

Therefore, we most heartily commend the suggestion of this International Commttee that this Conference appoint two delegates to this International Congress which meets in St. Louis October 11 to 13, 1904, and would hereby request Bishop Hendrix to appoint said delegates, consisting of one clerical and one lay member of this Conference. Respectfully,

GEO. M. JONES, Chairman.
J. M. CLARK, Secretary.

For the Committee.

Doctor W. B. Palmore and Captain G. M. Jones were appointed as delegates asked by the above report.

AUDITING.

We, your committee appointed to examine the accounts of the Conference Treasurer, respectfully report. We attempted to ascertain the exact money received by the treasurer by comparing the statistics furnished by the preachers, but we found that the reports of the preachers are inaccurate and that it was therefore impracticable to properly examine the books of the Treasurer. However, we carefully looked over the Treasurer's books and find that they have been neatly kept and have every appearance of being accurately kept.

JOHN A. RICH, C. H. BRIGGS, J. H. GOODWIN.

FEDERATION.

WHEREAS, Our church and the M. E. Church have adopted a plan of federation which provides for a common hymnal, a common catechism, and a common order of worship; and

WHEREAS, This plan of federation recommends that where either church is doing the work of Methodism, the other church shall not organize a society or erect a church building until the Bishop having jurisdiction in the case of the work proposed shall be consulted and his approval obtained; therefore, be it

Resolved, (1). That we, the Southwest Missouri Conference of the M. E. Church, South, in Conference assembled, do most heartily endorse this plan of federation adopted by the two chief branches of Episcopal Methodism, believing it will do much to increase the spirit

of fraternity and co-operation in the Master's kingdom.

(2). That we appoint a committee of five consisting of three preachers and two laymen to confer with a like committee appointed by the St. Louis Conference of the M. E. Church to make operative this plan of federation, not only as regards the erection of new churches but also as to the adjustment of our work in those places where both churches are laboring, but where one at best is a weak and struggling church without reasonable hope of becoming self-supporting.

Z M. WILLIAMS, F. M. BURTON, A. B. APPLEBY, E. L. SCARRITT, JOHN A. RICH.

CENTENNIAL SERVICE.

WHEREAS, Milton Adkisson, J. W. Bond and Joab Spencer will reach their conference Jubilee one year hence; therefore,

Resolved, That we request them to conduct for us a semi-centennial service at Butler next fall.

W. S. WOODARD, JOHN C. SHACKELFORD.

BIBLE TALKS,

Resolved, That we express by a rising vote our gratitude to Bishop Hendrix for the helpful, instructive and soul-stirring bible talks which he has given us every morning. Also our appreciation of his presidency over us, and that we believe that this has been the best conference in our history.

W. T. McClure, C. H. Briggs.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

The year ending March, 1904, is the most successful financially in the history of the W. F. M. S. of the Southwest Missouri Conference. The total amount of money raised for all purposes was \$5,761.68. Out of this amount we pay the salaries of three missionaries in China, support one day school, six scholarships and two bible women. The two most interesting "specials" for this year were the silver anniversary love gift to the Isabella-Hendrix school in Brazil, and the gift of the Susan N. Jones Reference Library to the Scarritt Bible and Training School.

Since the death of Miss Mary Richardson, in China, we have not ceased to pray that Missouri might have another, "sent of God" to take her place. At our last annual meeting we pledged ourselves to still more earnest supplication in this behalf, and to show our faith in our prayers. We enterprised the endowment of a scholarship in the training school for the use of any girl so called from the Southwest Missouri Conference. It is hoped that the first one thousand dollars of this endowment will be secured by the "Circle of one hundred;" that is, that one hundred persons or organizations will pledge ten dollars each, to be paid by March, 1905.

God has regarded the prayers of his children, and this their labor of faith, and now the great joy is ours, of reporting a missionary candidate who will be ready to enter the training school next September

The daring aim of this Conference, is: "An auxilliary in every charge," and we ask the renewed co-operation of our pastors. If you find any opening in your charges for this work, will you please notify either the District or Conference Secretary, that we may press every advantage. And we especially beg our pastors and school men to inform us regarding the earnest minded, high-purposed young women under their charge, that we may furnish them with such literature as may help them to decide upon a life work.

MRS. A. L. MARSHALL, Conference Corresponding Secretary.

MEMOIRS.

WILLIAM B. McFarland was born in Indiana county, Penn., February 9, 1820, and died in Lewistown, Idaho, June 8, 1904.

He was converted and joined the Methodist Episcopal Church at the age of nineteen, was licensed to exhort when twenty, and two years later to preach.

He joined the Pittsburg Conference in 1842 and served as junior preacher, the following charges in succession: Marion, Williamsport, Clarington and Elizabeth.

In 1848 he joined the Kentucky Conference, M. E. Church, South, and was appointed to Kavanaugh, Saline and Ebenezer 1849, Parkersburg, two years; 1851, Guyandotte, two; 1853, Barboursville; 1854, agent for Marshall Academy; 1855, Point Pleasant; 1856, Charleston and Madison.

In 1857 he was transferred to the St. Louis Conference and stationed in Independence, where he wrought two years, during which time the present church edifice there was erected; 1859, Westport, two years. During the war he did what he could. Was pastor of the church in Lexington part of the time; 1866, Dover Circuit; 1867-8, supernumerary on Dover Circuit; 1869, located; 1870, re-admitted and sent to Blackwater and Brownsville, (now Sweet Springs) two years; 1872, Marshall Circuit, two; 1874, Saline Circuit, two; 1876, Independence Station, two; 1878, Brownsville and Blackwater, two; 1880, Dover Circuit, four; 1884, Gilliam, two; 1886, Higginsville and Odessa; 1887, Butler Station; 1888, Corder Circuit, two; 1890, superannuated, in which relation he was continued till he finished his earthly pilgrimage.

He was a preacher sixty-two years, forty.six of which were spent in the effective itinerant ranks.

Brother McFarland was twice married. Of his first wife we have no data save that she left him two sons who are yet living. His second wife, whom he married, January, 1857, was Miss Elvira Early, of Virginia, a sister of the distinguished Confederate General, Jubal Early. She died in Corder, Mo., May, 1896, since which, Brother McFarland has made his home with his daughter in Brownsville, Tenn., but spent much of his time with his other children. He reached life's goal at the home of his youngest son, Samuel.

Brother McFarland was more than an ordinary man. He was over six feet in height, stood erect, had black hair and eyes, was dark complected and had a rugged face.

He had a good mind which he had carefully cultivated, and thereby gathered a store of useful knowledge.

His moral character was above suspicion.

His father was a Presbyterian and wished him to become a minister in that church, but his convictions led him into the Methodist church and he educated himself for a preacher therein. By diligence and careful study he made a helpful preacher, though his pulpit ministration never secured him distinction.

He excelled as a pastor, and as such many hold him in grateful remembrance.

He ranked among the leading members of his Conference.

For many years he was chairman of the Joint Board of Finance. Twenty years ago he was appointed on the committee of Memoirs, and his name is still found thereon.

He assisted in the organization of our Veteran Preacher's Association and was our first vice-president.

Three years ago at Marshall, he, Brother McAllister, and I were guests of T. R. E. Harvey, whose brother-in-law, Thomas Yearby, lived with him, and although I was in my seventy-third year, I was the junior of the five. Three of that five have "gone to that bourne, from whence no traveler returns."

In a mellow, happy talk to the Conference, Brother McFarland said: "Probably this is the last time I shall meet with you." Prophetic words. It was the last. It is fitting that this memoir close with words taken from the last page of the Journal of his life, written by himself.

"1904. This is the commencement of a new year; I am now eighty-four years of age; I have gone beyond what I expected; I am now living by the day; I know not what a day may bring forth; time is rapid in its flight; it waits for no man; I now commence a journey for another year; I may complete it, or, I may not—no earthly one can tell; the will of the Lord be done; shall I meet those who have gone on before me? None can tell; I give myself to Him who gave Himself to me. Here, Lord, I give myself to thee. It is all I can do. Oh, thou blessed One, I give my all to Thee for time and for eternity. Amen."

W. S. WOODARD, Chairman.

REPORTS OF BOARDS AND COMMITTEES.

We, your Sunday School Board, have heard with satisfaction the Annual Report of Dr. James Atkins, Sunday School Editor, of the enlarged work and deepening interest in this most important department of our church life and work. We most heartily commend our book agents and Sunday School editor in their avowed purpose to bring out the lesson leaflet for the more advanced classes. We feel assured

that it will supply a long-felt need.

We believe the plan to establish a chair of Religious Pedagogy and Sunday School in Vanderbilt University for the purpose of providing a thorough training for our Sunday School teachers should meet with the hearty approval of our people and that our preachers should urge the importance of this correspondence course upon their people. We are glad to note the interest taken in the observance of Children's Day and that more concern is being taken in the matter of Children's Day Collections. We reiterate the importance of our Sunday School Superintendents observing this day and that our people should know that the observance of the day is not optional and that when a program can not be carried out that the day should be observed with a collection to be turned into channels directed by the discipline. Such funds to be sent to Conference Treasurer, Dr. C. H. Briggs.

We call attention again to the importance of all our Schools being organized into

Mission Schools.

The third Sunday in October has been set apart by the Board of Missions and S. S. Board as Missionary Rally Day. Programs have been prepared and will be sent free on application to G. W. Cain, 346 Public Square, Nashville, Tenn. It would be of great good for our people to observe this day. We urge it upon them.

It is the deepest desire of your Board that in our Conference we begin an

It is the deepest desire of your Board that in our Conference we begin an advanced movement in this great work, and with a view to this end we recommend that Brother Harry Henley, Secretary of this Board, be appointed to visit as many of our District Conferences this year as he may be able to reach in this interest.

Since an effort is being made to put in some large memorial windows in the new chapel just erected at Central Female College, Lexington, and believing that it will result in good to the young people of our Sunday Schools to be more closely identified with this institution, we recommend that the collection taken in our Sunday Schools on Easter Sunday be set apart for one of these windows, to be known as the memorial window of the Sunday Schools of the Southwest Missouri Conference. Such collection to be sent to Rev. W. B. Polmore.

O. M. RICKMAN, Chairman.

W. C. BEWLEY, Secretary.

REPORT NO. 1.

The Board of Missions desires heartily to express its confidence in the work of the Missionary Training School, in Nashville, Tenn., and asks the Conference to request the Presiding Elders of the various districts to select at least one young man from each District, to be sent one term to this school this year, and that the Presiding Elders raise at least \$25.00, the amount necessary to pay his board and tuition while there.

W. T. McCLURE, President.

J. W. EZELL, Secretary.

CONFERENCE RELATIONS

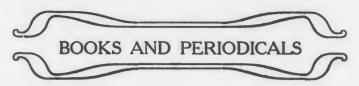

The following brethren are recommended for the Superannuated relation:
H. N. Watts, Joab Spenser, W. S. Woodard, J. P. Barnaby, J. W. Bond, J. B. Landreth, M. Adkisson, W. T. Eastwood, L. H. Vandiver, J. C. Coss, J. G. L. Mitchell, W. M. McAllister, W. G. Pike, W. L. McGuire, W. D. Stewart, M. Bahrenberg, J. A. Matthews, Joseph King, A. L. Houston.

For the supernumerary relation: Samuel Lopp, N. M. Dowdy, C. W. Scarritt, Jacob Shook

Jacob Shook.

ALONZO PATISON, Secretary.

T. D. PAYNE, Chairman.

We, your committee on books and periodicals, beg leave to submit the following report:

THE METHODIST QUARTERLY REVIEW.

Dr. Tigert is to be congratulated upon the high character of this publication. Not only is it strong editorially, but among its contributors are some of the ablest theologians and clearest thinkers of the times. Its books reviews, also, make it especially helpful.

No preacher in our Conference should be without it, and our laymen would find it thought-producing and inspiring. We hope to see it have the large subscription it clearly deserves.

THE CHRISTIAN ADVOCATE.

The real merit of this paper has not been lessened by its change in form. It still breathes the gentlest Christian spirit. All its utterances are in pure words. Its excellent literary style is unsurpassed in our church. Our people will lose much if they fail to be influenced in their speech and writings by the elevated taste, the choice expression, and the refined sentiments characteristic of the editorials of Dr. Winton.

In many respects The Advocate is a valuable expository of our Methodism. We commend it to our people as worthy of their patronage.

We recommend the appointment of Rev. S. M. Godby as its assistant editor.

THE SUNDAY SCHOOL LITERATURE.

It maintains its high character. It is the general concensus of our best teachers that it is surpassed by no other and rarely equalled. Previous sessions of our Conference have given statistics, and we think it necessary only to request our preachers, superintendents and Sunday School officers not to permit our literature to be supplanted by any other. We beg them not to be influenced by the cheaper prices offered by private publishing houses, and for three reasons: First, a loyal Methodist should support the institutions of his church, as he agreed to do when he took the vows of membership; second, the prices of our literature are as low, when merit and adaptability are considered, as those of any other publishing house in the land; and, third, whatever profit arises from our Sunday School literature is used to advance some other branch of useful church work, or is distributed among our superannuated preachers, or their widows and orphans.

THE EPWORTH ERA.

We note with pleasure the increase in the subscription list of the "Era," and its splendid mechanical make-up. Dr. Du Bose is making it a great paper. It is meeting the requirements of our young people and the League better than ever before. It is a paper of which the whole church may well be proud.

We sincerely hope that the number of subscribers necessary to justify the contemplated increase in the size of the paper will be obtained at an early date. We pledge our hearty support to Dr. Du Bose in all his efforts in behalf of the "Era."

GO FORWARD.

This is a most excellent periodical. It cannot be read without increasing missionary zeal and interest. Its small subscription price puts it within reach of all. We would suggest that our preachers call the attention of their people to this publication, and do what they can to get it into all our homes.

It is filling a long-felt want. We unhesitatingly endorse it.

THE PUBLISHING HOUSE.

The report of the Book Agents, with the accompanying explanation that the items cover only nine months of the year instead of twelve, as heretofore, shows a gratifying increase in the capital and profits of the publishing house. We are glad to learn through Dr. Lamar that \$4,000 has been set aside out of the profits for the superannuated preachers, their widows and orphans, and we express the further hope that this policy of distribution of the profits, having been renewed, will be continued from this time on.

We recommend the house to a fuller and more extensive patronage of the church

at large.

THE ST. LOUIS CHRISTIAN ADVOCATE.

The business manager and largest owner of the St. Louis Christian Advocate, Dr. Palmore, says that he understood that the action of this Conference last year in accepting his offer to give one-half of all new subscriptions, etc., secured through pastors, to Conference claimants, to be a release for the past year of the obligation of the Advocate Company to pay to this Conference annually at least five per cent on the \$2,000 of stock surrendered by this Conference to the Company. nothing in the resolutions adopted by this Conference at its session last year to the effect that the acceptance of his offer on that point was to be so considered. But in view of the fact that Dr. Palmore expresses the wish to return to the agreement to pay this Conference at least five per cent annually on \$2,000 for its Conference claimants and hereafter to pursue the terms of that contract, we recommend that the acceptance by the Conference last year of his proposition to give one-half of all new subscriptions, etc., when secured through pastors, to our Conference claimants, be considered as being in lieu of the five per cent on \$2,000 which by that contract this Conference is annually entitled to from the Advocate Company, and that in keeping with that contract we hereby adopt the St. Louis Christian Advocate as our Conference organ for next year. But in adopting it as our Conference organ we beg to request the editors to place the paper behind all the institutions of our church within this state with all possible energy.

The paper, we believe, is generally satisfactory to our people, and we recommend

it to all members of our church and to the people generally, and earnestly request them to support it with their money and their prayers.

We recommend the appointment of Dr. W. B. Palmore as its editor, and of Dr. C. C. Woods as its assistant editor.

THE ANNALS OF METHODISM.

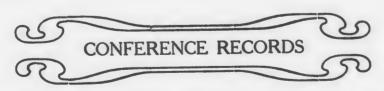

Rev. W. S. Woodard has in manuscript form the second volume of "The Annals of Methodism in Missouri." We are glad that this aged brother has been able in his declining years to render much valuable service in keeping green the memory of the heroic Methodism of the early days in this great State, and we express the hope that he may soon find the way clear for the publication of this second volume, and that, when published, our people will give it kind consideration.

THE JOINT HYMNAL.

We think it proper to recommend to all our churches that they purchase for use "The Methodist Hymnal," prepared for the use of the two great branches of Methodism in America, as fast as their congregations shall need new hymn books. Respectfully submitted,

PERRY S. RADER, Chairman,

GEO. M. JONES, Secretary.

We, your Committee on Conference Records, report that we have examined the following records:

Kansas City, Lexington, Boonville, Clinton, Nevada, Neosho and Springfield

We are gratified to report that the records have all been faithfully kept and are

exceptionally neat and accurate.

We have made some suggestions as to the manner of keeping the records in the future and have appended a copy to each, with the view of securing uniformity. We recommend that the Secretaries of the various Districts follow them.

While all of the records are very neat, yet the Clinton and Kansas City Districts Respectfully submitted, deserve special mention.

HARRY G. HENLEY, Chairman.

SABBATH OBSERVANCE

To the Bishop and Members of the Southwest Missouri Annual Conference.

DEAR BRETHREN: - Your Committee on Sabbath Observance had before them the communication and literature of the Sunday League of America, and note with pleasure the profound impression produced by the League at the St. Louis Exposition, and we indorse the work of the League heartily. We believe our preachers and people should declare in no uncertain tones against the desecration of our Christian Sabbath, by the theatres, parks, saloons, base ball clubs, and Sunday railroad excursions as well as by the open stores and shops.

We rejoice in the firm and vigorous administration of our chief executive, Hon. Joseph W. Folk, and call upon the Christian people of our great State, by sermon, counter-petition and otherwise, to express the overwhelming sentiment of Missouri in favor of the continued enforcement of the Sunday closing law.

Respectfully,

WILLIAM H. HARGROVE, Secretary.

J. H. CLEAVES, Chairman.

To the Members of the Southwest Missouri Conference, M. E. Church, South.

We, your Committee on Epworth League, have carefully reviewed the communications referred to us by your body and the report of Epworth League for the year just ended.

We note with joy the tone of triumph in our General Secretary's report in regard to the general work of the Epworth League organization. We are grateful for the increased subscriptions to the Epworth Era and for the great improvement of the paper in its form and general literary excellence.

We report with gratification a healthy increase in the number of chapters, mem-

bership, and liberality of the Epworth League of the Conference.

The report of the General Secretary that the Leagues of the church are responding more dutifully to the payment of the ten cent assessment gives us assurance of the stability of the general work. We trust the Leagues of this Conference will be loyal in the payment of their dues.

We rejoice at the glorious outcome of the Seventh International Epworth League Convention at Denver. We believe a quickening of the spiritual life of the League

was felt through the church.

We note with pleasure the successful meeting of the State Epworth League Con-

vention at Pertle Springs, July 18-20.

Thanks are due Miss Daisy Williams, Epworth League Editress of the St. Louis Christian Advocate, for her faithful and diligent service in informing the Leagues in

regard to State League news, and of inspiring the Leaguers to higher ideals.

We believe, aside from the local chapter, that the future progress of the Epworth League, as a church organization, depends upon the perfecting of its district organization. With the district thoroughly organized and working, we believe that greater results and benefits may be expected from our State League or Conference organization. tion. We, your committee, wish to lay emphasis especially upon the district work, believing that if this smaller division of the army of young soldiers is properly organized and inspired, greater good may be expected from the whole.

To this end, since there are some districts of our Conference which do not annually hold district League Conferences separate from the District Conference, we recommend that this Conference give authority to the Epworth League Board of the Conference to appoint district chairmen in districts in which there are no chairmen,

and to take general supervision of the work. WILLIAM H. HARGROVE, Secretary.

W. H. CRUM, President.

TEMPERANCE

We, your Committee on Temperance, recognize the saloon as an enemy of society, and a menace to the moral life of the state and nation, and there can never be anything but enmity between the church and saloon.

Therefore, we pledge ourselves to an unceasing and persistent effort to overcome

and forever remove this monster from our country.

We are in hearty sympathy with the Anti-Saloon League, and all other organized efforts to regulate and finally suppress the saloon, and will co-operate with these organizations in their legitimate efforts to suppress this evil.

We note with pleasure the earnest and fearless efforts of Governor Folk to enforce the law governing the saloon, and pledge him our support in this much needed JACOB SHOOK, President. J. F. CASKEY, Secretary. reform.

AMERICAN BIBLE SOCIETY

The Bible Society Board make the following report:

The amount raised for this worthy cause this year is \$232.48, which is a decrease as compared with last year of \$41.86. The Boonville District leads in the amount contributed. There are 61 pastoral charges which report no collections. This means 61 pastors who have been negligent in the performance of duty. Fifteen preachers in one district have made no contribution to this cause. It is needless to say that this

district also reports the smallest collections. Perhaps Presiding Elders are partly

responsible for this lack of interest.

When we consider that generally the largest single annual source of income to the American Bible Society is church contributions throughout our country, and that the church in foreign lands is beyond measure dependent upon this Society for the Bible in native languages, there seems little excuse for those preachers who through forgetfulness or neglect thus involuntarily hinder, in its larger aspect, the progress of the Kingdom. "Evil is wrought by want of thought." Obligation rests as heavily upon us as if our duty were prescribed in the form of a definite assessment. And we should feel it a point of honor no longer to report in full unless we have made a fair contribution to so worthy a cause. Specially so as the amount expected is only nom-During the following year let more of us contribute and let us contribute more.

We are glad to note that the American Bible Society is now issuing the American Standard Revised New Testament. This translation has high endorsement as being the best edition of the Bible that has appeared in English. It will give this edition a large introduction to the English-speaking world and thus insure its more rapid and general acceptance. We therefore quote with disapproval the following opin-recently contributed to the Christian Advocate: "We are astonished more than we can find words to express that the American Bible Society has issued for general circulation editions of the American Standard Revised New Testament." Inasmuch as this was written by a D. D., we are more than ever convinced that the possession of this degree does not insure either scholarship or wisdom. There is already enough honest conservatism in the world without having the amount increased by statements calculated to excite an unreasoning prejudice. This version may have faults; but they are minor, while its excellences are great. We recommend this edition of the Bible to every preacher of the Conference for use at least in his study.

Respectfully submitted,

CHAS. FRANKLIN, President.

E. Y. GINN, Secretary.

The report submitted by the General Board is very gratifying, since it reveals an increasing interest throughout the church in educational work. This Conference is in hearty sympathy with the efforts of the General Board to raise a high standard for educational work under the auspices of our church and pledges its loyal support in every possible way.

BIBLICAL DEPARTMENT OF VANDERBILT UNIVERSITY.

We note with gratification the large increase in the faculty of the Biblical Department of Vanderbilt University, and also the great increase in the numbers of courses of study which are there offered. With the large number of electives now allowed, we believe that our young men can there find their best equipment for our ministry.

CANDIDATES FOR THE MINISTRY.

Your Board would call attention to the dearth of trained men who are entering the ministry. We are deeply concerned that our colleges shall send out more well qualified preachers. To this end we urge that more sermons shall be preached on the call and work of the ministry; that more prayer be made both in private and in public worship to the Lord of Heaven to send forth more laborers into his harvest; that special plans be made for the visitation of all our schools, with a view to presenting the ministry as a life work to their students.

Your Board would also direct the attention of the young men who have completed the Conference courses of study to the Advanced Courses offered in the Correspondence School. We would suggest the taking of one or more of these courses as

one of the best ways of inducing the invaluable habit of systematic study.

Your Board would recommend to the Committee of Public Worship that at the next Annual Conference they provide for a course of lectures before the young preachers of the Conference by some representative of the Correspondence School.

CORRESPONDENCE SCHOOL.

The Director of the Correspondence School reports the last year's work the most successful in the School's history: one hundred more men were enrolled than the previous year.

There were seventeen students from this Conference, twelve of whom completed entire courses. We urge our undergraduates to take the Correspondence Course, and hereby instruct the examining committees to accept the work done in lieu of examinations at the Conference.

We recommend that \$100.00 be appropriated to pay the tuition fees of those

unable to pay tuition.

PREACHERS' INSTITUTE.

The executive committee of the Preachers' Institute reports a very successful Institute, held at Fayette, Mo., June 14-22. That the Institute is growing in favor, is shown by the fact that the attendance was larger than ever before. In the Institute, special stress was placed on the Study of the Bible, under the direction of such able men as Dr. Shailer Matthews, of Chicago University; Dr. Gross Alexander, of Louisville Conference; Dr. John Robertson, of Scotland; Bishop E. R. Hendrix, Prof. M. S. Wildman and others. All lectures and addresses were of a high order and exceedingly helpful.

We heartily endorse this splendid movement in the interests of a better equipped

ministry.

We recommend that \$300.00 be appropriated for the work of the Institute of 1906. We recommend the same members of the Advisory Board and Executive Committee, with one exception: in the place of Rev. C. W. Scarritt, on the Executive Committee, we nominate Rev. F. M. Burton.

CENTRAL COLLEGE.

Dr. J. C. Morris was before the Board and set forth clearly the present condition at this, our chief educational institution, in Missouri. His report was encouraging, indeed, as the opening for this year was much larger than for some years, with a splendid outlook for an increasing attendance.

Dr. Morris announced the selection of Rev. Willis Carlyle as College Secretary. We strongly endorse the selection, and hereby invite him to our Conference, in the

interests of the College.

We recommend the election of Rev. J. J. Pritchett and Hon. Perry S. Rader as Curators of the College. We pledge our earnest co-operation to Dr. Morris and the Board of Curators in their plans to greatly increase the endowment of the College by the semi-centennial year, 1907, realizing the urgent need of resources adequate to the work demanded by our Missouri Methodism.

We recommend the appointment of T. P. Wood as a student of Central College. We recommend the appointment of the following committee to co-operate with the College authorities in the plans of the Semi-Centennial celebration: Dr. C. E. Pattillo,

W. T. McClure and Hon. Perry S. Rader.

Realizing our obligations as a Conference to this institution, as the head of our educational system in Missouri Methodism, and in response to the request of the constituted authorities, we hereby recommend an assessment of \$534.00, \$500.00 of which shall be used on the salary of the President.

CENTRAL FEMALE COLLEGE.

We note with pleasure the prosperity of this, our Conference College for young

ladies. There has been an increased attendance at the College.

The plant has been thoroughly refitted and improved, so that there is now every modern convenience and comfort. The new building, Murrell Hall, is nearing completion, the cost of which is \$25,000.00. We hereby express our gratitude to Mr. George Murrell and others whose generosity has made possible this long-needed building. We are glad to note that the literary work and equipment of this institution is of such high grade that it is classed by the General Board of Education as a College a distinction enjoyed by no other female school west of the Mississippi West lege, a distinction enjoyed by no other female school west of the Mississippi. We pledge to President Smith and his able faculty our earnest support in behalf of this school.

COTTEY COLLEGE.

This school reports the most prosperous year of its history. The enrollment last year was two hundred and seventy-three. Improvements have been made to the amount of \$3,000.00. The school opens this year with very bright prospects. Mrs. V. A. C. Stockard, the President, with her splendid faculty, deserves the hearty support of the Conference and is receiving it. The same relation to the Conference as has existed for the past few years is recommended, also the appointment of the same Advisory Board: Rev. J. King, Rev. A. R. Faris, Rev. F. M. Burton, Rev. J. J. Pritchett, Rev. W. T. McClure, J. B. Latimer, W. E. Hall, Dr. A. W. Ammerman and J. S. Clack.

MORRISVILLE.

This school reports continued growth, the enrollment for the past year being 281. The faculty has been increased to meet the demands of the institution. The outlook for the year is gratifying to all. A dormitory for girls has been added, in the way of improvements.

The following Curators are recommended: W. J. Ruyle, W. J. Ross, J. M. Cun-

ningham, T. M. Todd, C. J. Wilkins.

Recognizing our duty to this school, as the sole property of this Conference, and in view of the statements made by the Board of Curators regarding the indebtedness on the College building, we recommend an assessment of \$444.00, to be paid to the Board of Curators, to be used in liquidation of the indebtedness. We recommend, on request of the Board, the appointment of an agent by the Bishop.

NEOSHO COLLEGIATE INSTITUTE.

The report of this school was duly considered by the board and the conditions canvassed. In order to assist in a final attempt to revive this school which has been closed for almost two years, and in compliance with a request from the Board of Curators, we recommend an assessment of \$222 to be paid to the Board of Curators on condition that a similar amount be raised by the Board of Curators, independent of the interest accruing from the endowment fund and on condition that the school be put in successful operation in the fall of 1906.

We recommend the usual visiting committees to various schools. We recommend that the Board of Curators of all our schools include in their annual report a full statement of the finances of the school including all indebtedness, receipts from all sources, and all disbursements for improvements, salaries, etc.

PAINE AND LANE.

We recommend the usual appropriation of \$366 for Paine and Lane colleges; also \$366 for the General Board.

RESOLUTIONS ON MORMONISM.

To the Members of The Southwest Missouri Conference:

Dear Brethren: The following preambles and resolutions are submitted by us for your earnest consideration and for formal action by your body. We feel that it is not necessary to argue a moment on the pertinency and duty of such action. We speak as those who have carefully studied the evil of Mormonism on its own grounds, the State of Utah and contiguous territory.

May you be guided and helped in your present debilerations by the Divine Spirit.

RESOLUTION.

WHEREAS, High officials of the Mormon church have admitted in their testimony before a committee of the United States Senate that for years the law of the State of Utah prohibiting polygamy has been constantly violated by their fellow Mormons

and themselves, and .

Whereas, The solemn pledges given the President of the United States by the head of the Mormon church and other high officials of the same, to the effect that they would cease polygamous marriages and practices, has, according to their own testimony, been violated, and

WHEREAS, Reed Smoot, an apostle of the Mormon church, and United States Senator elect from the State of Utah, is subservient to the hierarchy of this church, and has connived at the unlawful and immoral practices of the same, therefore

Resolved, First, that we do hereby memorialize the Senate of the United States in the name of all our American homes and the sacred marital ties of the same, to declare vacant the seat of Reed Smoot, Senator from the State of Utah.

Resolved, Second, that we hereby memorialize the Congress of the United States to submit to the several States of the Union an amendment to the Constitution of the

United States prohibiting polygamy or polygamous practices in any territory of the Union.

(Signed),

H. M. DuBOSE, Editor of the Epworth Era, Nashville, Tenn. D. D. THOMPSON, Editor Northwestern Christian Advocate, Chicago, Ill. Nashville, Tenn., August 25, 1905.

WILLIAM J. BROWN.

William J. Brown was born in Cumberland Co., Va., Oct. 19, 1814.

Sometime after this the family moved to Missouri and settled in Saline County, not far from Malta Bend, in which town he died Jan. 1, 1905. He was converted and joined the Church at the Pilot Grove Campmeeting in 1826, at the age of 12 years, under the ministry of W. W. Redman. He was licensed to preach by the Quarterly Conference of Arrow Rocket, Jesse Greene, P. E., September, 1842, and immediately joined the Missouri Conference in Jefferson City.

His fields of labor were: Adair, Fayette, Oregon, all north of the river. In 1845 he located. In 1846 his name appears on Whitesville Ct., in the Memphis Conference. In 1847 he located again. In 1851 he was readmitted into the St. Louis Conference and appointed to St. Louis Ct.; 1853, Dover; 1854, same circuit; 1855, Saline; 1856, Wellington; 1857, Supply on Dover Circuit, 4 years; 1865, Lexington District; 1866, Booneville Station; 1867, Wellington; 1868, Warrensburg, two years; 1870, Wellington; 1871, California; 1872, Supply; 1873. Sedalia Circuit; 1874, Versailles Station; 1875, Columbus circuit, two years; 1877, superannuated, in which relation he remained to the end.

The above outline of his labors shows that he was effective 23 years, local, 5;

supply, 7; superannuated, 27; total, 62 years.

He was ordained deacon in 1844 and elder in 1847. He was twice married; first in Tennessee, February 1, 1847, by Rev. H. C. Thiveat, to Miss S. J. Palmore, cousin of W. B. Palmore of our Conference; and second in Missouri, July, 1863 by Rev. Wm. Perkins to Miss J. Y. Purdue who survives him.

In many respects Brother Brown was a superior man. He had a charming face, a bright intellect, and a loving heart. He was a lifetime student and amassed a won-

derful fund of knowledge.

I do not hesitate to say that he was one of the sweetest spirits I ever knew, and one of the finest fire-side preachers to whom I ever listened. The year of his conversion, 1826, and near where it occurred, the first meeting house built in our Conference territory was erected. Seventy-one years afterward a cane was made out of a stick of timber taken from an oak log of that house, and presented by him as the senior member of his conference, to descend, at his death, to the next oldest member of his conference and so on continuously. He was more than fourteen years the senior member of his conference; but because of the infirmities of age, for seven years he has not been present at one of our sessions. Hence the younger members did not know this saintly man. He loved his Bible and his hymn book, had memorized much of both and knew exactly how to use them in conversation. He often mused with Methodism's most gifted bard,—Charles Wesley.
W. S. WOODARD.

L. W. PEARCE.

Leonidas Washington, son of Simon A. and Elizabeth Pearce, was born in West Tennessee, near the Mississippi line, July 29, 1839, and died at his home in Neosho,

Mo., Jan. 1, 1905.

He was converted near Sanatobia Miss., in 1860, under the ministry of A. P. Sage, who is still a member of the N. Miss. Conf. Soon after he joined the Confederate Army and united with the Army Church in 1862. After the war was over he returned to Sanatobia, Miss., with nothing left him but Confederate Money and his religion. The first worthless while the last priceless. He had also his indomitable energy left him, which, however was a part of his religion. By diligence he soon retrieved his fortune sufficiently to take to himself a wife, but in three months was called to drink the bitter cup of grief by the death of his wife. Soon after this he came to Missouri and engaged in business in Granby. For years he was conscious that he ought to preach; finally he yielded to the conviction of duty and was licensed to preach in Neosho, Aug. 5, 1871, and two months later the S. W. Mo. Conference, at its first session, held in Kansas City, admitted him on trial as a traveling Methodist preacher. He was admitted to the Conference and ordained a traveling Methodist preacher. He was admitted to the Conference and ordained deacon in 1873 by Bishop Wightman, and elder in 1877 by Bishop Marvin. He was married Sept. 5, 1872, by Rev. J. F. Hogan, to Miss Maria Garrison. I quote the following from him: "From that day to this my dear wife and I have had love,

happiness, and heavenly sunshine in our hearts and home. She has been a good worker in the church and a great help to me in my ministry."

For twenty-three years he cultivated the following fields:

Cassville, two years; Sarcoxie, Pineville, Marshfield, three; Papinsville, Wellington, two; Columbus, three; Lee's Summit two; Springfield Dist., four; Moundville Ct., Butler Sta., Otterville Ct. At Otterville his health gave way and he was never well again. In 1894 he was given a superannuated relation and was continued therein until his his death.

Bro. Pearce was a conscientious man a devoted husband, a faithful father, a useful preacher, a superior pastor, and a true friend. Ten years before his death he exacted of Brother McClure a promise to preach his funeral. One year before he went home he wrote him a letter full of tender love for his Heavenly Father and his brothers in the ministry.

L. A. WATTS.

Lethia A. Smith was born in St. Louis Co., Mo., and was converted at a meeting held in St. Francois Co. by H. N. and H. S. Watts.

She was married in St. Francois Co., Oct. 16, 1855, to Rev. H. N. Watts and for nearly fifty years was his faithful companion in the work of the Master and His church. Sister Watts was gifted above most of women. She had a splendid personality, a vigorous mind, and a heart surcharged with love for God and humanity. She was a devoted, capable, and successful worker in the church. She was born to be a leader and faithfully met the obligations her gifts and graces committed to her hands.

E. B. PAYNE.

Eliza Baxter, daughter of Dr. Jas. H. and Catherine Rodgers, was born in Carroll Co., Ga., March 4, 1840, died in Bates City, Mo. Oct. 19, 1904, and was buried in Oak Grove Cemetery.

She was educated in Covington Female College, Covington, Ga., under the presidency of Rev. Creed Fulton. After her graduation she taught with Mr. Fulton a while, then elsewhere for a number of years. She had the privilege, pleasure and honor of once having as a pupil a flaxen haired, big headed boy named Warren Candler, who afterwards became one of the bishops of our Church. While quite young she professed religion and joined the Presbyterian Church, but after marriage united with the M. E. Church, South. She was married in Lawrence Co., Tenn., May 5, 1867, to Rev. Thomas DeCalb Payne. Subsequently they came to Missouri and joined the St. Louis Conference in 1869. For thirty-five years she went without a murmur with her husband to the missions, circuits, stations, and districts to which he was appointed. She was a lover of flowers and with them beautified the parsonage yards wherever she went. Last fall she found flowers in Bates City that she planted a decade before. Sister Payne, like Sister Watts, was a gifted woman; she had a splendid personelle, a brilliant mind, and warm, loving heart. She had a presentiment before her last combat with life's enemy that her foe would be victorious and carefully set her home in order. She wrote loving messages to be read to her loved ones after her death. Her final departure was peaceful and happy.

M. A. PATISON.

Meda Alice, youngest daughter of Gordon and Nancy Felts, was born in Carroll County, Va., Sept. 3, 1879, and was married to Alonzo Patison, by Rev. W. T. McClure, June 1, 1898. About two weeks after her marriage she was baptized and received into the Church at Buckner by J. R. Hedges.

July 24, 1905, while yet in her twenty-sixth year, her earthly life came to a period, at Montrose, where she was buried by A. B. Appleby and W. C. Bewley. Sister Patison spent her entire Christian life in the itinerancy. She was a sweet spirited woman and much loved by the people. She had a presentiment of her death and consciously passed away, perfectly tranquil, triumphantly, leaving to her husband as remembrances two lovely children.

CONFERENCE MINUTES EXPENSE ACCOUNT.

Unfortunately some of our data has been mislaid so that we cannot give a complete exhibit for the quadrennium. As an approximation, however we state that the conference collection in 1901, for minutes, was \$122.37 (?); for 1902, \$129.82; for 1903, \$142.03. And in addition, each year, some \$30 to \$40 was received from advertisers, some of those published being complimentary, some not collected and nearly all at reduced rates. The expense of publication, mailing, etc., as shown by statements now in hand, varied from \$150 to \$175, as the number published was increased, and was approximately met by collections, a small amount being generally carried over from year to year. For the last year the showing is as follows: follows:

| To To To | balance from 1903. \$ 2.12 conference collection, 1904. 157.33 advertisers. 37.00 |

Our department of Expression has proved to be an unqualified success.

Our Business department furnishes an opportunity for a first class business education under Christian influences.

We have a gymnasium and believe in sensible development and care of the body, but have not gone daft on athletics.

We have the cheapest good school and the best cheap school in Missouri.

No saloons within ten miles.

We consider Morrisville the safest school town in the state. For further information address
